WORK EXPERIENCE

since March 2008: **Desktop User Interface Developer** at *Opera Software*, Oslo, Norway.
Worked on the development of new features (i.e. new UI markup language); and automating internal procedures to improve rollout time.
I'm in charge of the team's innovation process, promoting creativity through participatory design workshops.

July 2004 – January 2005: **Internship** at *Sun Microsystems GesmbH*, Vienna, Austria.
I was part of a group that implemented a web portal based on the Java Enterprise System (<http://mail.a1.net>).

Summer 2003: **Internship** at *euromfunk Kappacher GmbH*, St. Johann im Pongau, Austria.
I developed modular and automated software tests (using SilkTest).

Summer 2002, 01: I held **guided tours** (in German and English, dressed up in medieval costumes) at the *Fortress of Hohenwerfen*, Austria.

STUDIES ABROAD

February 2004 – June 2004: *Exchange semester* at the Ingeniørhøjskolen i København (Copenhagen University College of Engineering), Copenhagen, Denmark.
